Just a wild guess, but will it be better, if the dependency be like "libvpx>1.4.0" if possible of cource?

#2 - 2015-11-12 05:16 PM - mtjm

It should depend on libvpx of the specific ABI only, not newer and not older. I don't know how it's versioned.

#3 - 2015-11-12 05:22 PM - Anonymous

- Assignee set to Anonymous

- Status changed from open to in progress

It's versioned since iceweasel needs be rebuild against a new version of libvpx

#4 - 2015-11-13 11:11 PM - Anonymous

- % Done changed from 0 to 100

- Status changed from in progress to fixed
