

## Issues

| #    | Project       | Tracker           | Subject                                                                             | Status    | Updated             |
|------|---------------|-------------------|-------------------------------------------------------------------------------------|-----------|---------------------|
| 1184 | Packages      | Bug               | [icedove] libvpx 1.6.0 dependence, language packs and new upstream version          | fixed     | 2017-01-19 01:13 PM |
| 1199 | Packages      | Bug               | [iceweasel] Update to 51.0.1                                                        | fixed     | 2017-01-29 11:56 PM |
| 1200 | Packages      | Bug               | [icedove] Icedove 45.7.0 and confirmation of building process                       | fixed     | 2017-02-16 08:05 PM |
| 1222 | Packages      | Bug               | [iceweasel] Icedove 51 shows in their user agent Firefox 50                         | fixed     | 2017-03-06 05:14 AM |
| 1223 | Packages      | Bug               | [iceweasel-l10n-es-ar] Icedove languages packs are in conflict with                 | fixed     | 2017-03-06 05:12 AM |
| 1225 | Packages      | Bug               | [iceweasel] Please update Icedove to 52 version                                     | fixed     | 2017-03-10 04:01 AM |
| 1293 | Packages      | Bug               | [linux-libre] Megver83 GPG signature error when I try to update linux-libre         | fixed     | 2017-06-13 07:36 PM |
| 1301 | Packages      | Bug               | [icu] Please recompile the following package for solve dependences with ICU 59.1    | fixed     | 2017-05-06 09:11 PM |
| 1302 | Packages      | Bug               | [texlive-bin] Update the dependences of poppler and ICU                             | fixed     | 2017-05-01 08:21 PM |
| 1303 | Packages      | Bug               | [icecat] New version available (52.0.2)                                             | fixed     | 2017-05-20 10:10 PM |
| 1306 | Packages      | Bug               | [icedove] Please recompile it for solve the ICU dependence (version 59)             | fixed     | 2017-05-02 12:30 PM |
| 1318 | Packages      | Bug               | [icecat] Update the user agent                                                      | not-a-bug | 2017-05-20 10:07 PM |
| 1331 | Packages      | Bug               | [icedove] Lightning 5.4 is buggy                                                    | fixed     | 2017-05-18 12:26 AM |
| 1360 | Packages      | Bug               | [poppler] conflicts with packages (cups-filters and texlive-bin)                    | fixed     | 2017-06-02 04:39 AM |
| 1367 | Packages      | Bug               | [iceweasel] Please update the user agent of Icedove                                 | fixed     | 2017-06-16 10:22 PM |
| 1386 | Packages      | Freedom Issue     | [pepper-flash] Pepper flash is not free.                                            | fixed     | 2017-06-30 08:24 PM |
| 1414 | Packages      | Bug               | [iceweasel] Important update security (54.0.1)                                      | fixed     | 2017-09-05 06:59 AM |
| 1437 | Packages      | Bug               | [iceweasel] Update to version 55.0                                                  | fixed     | 2017-09-05 06:58 AM |
| 1459 | Documentation | Bug               | problems with the repos on Parabola                                                 | not-a-bug | 2017-10-17 03:56 AM |
| 1493 | Packages      | Bug               | [poppler] cups-filters & texlive-bin dependence issue, again                        | fixed     | 2017-10-08 04:41 PM |
| 1534 | Packages      | Bug               | [icu] Dependences of ICU 60 affects to Mozilla-based applications                   | not-a-bug | 2017-11-19 02:09 AM |
| 1557 | Packages      | Bug               | [iceweasel] Malfunction on search function                                          | not-a-bug | 2017-12-28 02:54 PM |
| 1565 | Packages      | Bug               | [iceweasel] Search box still not working                                            | not-a-bug | 2017-12-13 02:05 PM |
| 1572 | Packages      | Bug               | [gst-python2] Dependence conflicts with Python 2                                    | not-a-bug | 2017-12-17 02:43 AM |
| 1574 | Packages      | Bug               | [icu] Dependences of ICU 60.2 affects to Mozilla-based applications and UNAR        | not-a-bug | 2017-12-17 02:54 AM |
| 1635 | Packages      | Bug               | [xorgproto] Broken dependence with fontsproto.                                      | fixed     | 2018-04-21 08:09 PM |
| 1679 | Packages      | Bug               | [clang] Broken dependences with mesa-libgl and qtcreator                            | fixed     | 2018-04-21 07:46 PM |
| 1698 | Packages      | Bug               | [linux-libre-firmware] New update doesn't recognizes the Atheros-based WiFi dongles | fixed     | 2018-04-13 06:06 AM |
| 1795 | Packages      | Bug               | [iceweasel] Major version upgrade (60.0) available                                  | not-a-bug | 2018-08-27 06:13 AM |
| 1807 | Packages      | Bug               | [wayland] Duplicated files found in wayland and mesa directories                    | fixed     | 2018-05-17 07:08 AM |
| 1816 | Packages      | Packaging Request | [iceweasel] 61.0.2 still needs built for [armv7h]                                   | not-a-bug | 2019-10-22 06:04 AM |

| #    | Project  | Tracker           | Subject                                                                                                                                       | Status      | Updated             |
|------|----------|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|-------------|---------------------|
| 1818 | Packages | Bug               | [mesa] Issues related with XFWM and similars (login screen loop)                                                                              | fixed       | 2018-06-23 06:12 AM |
| 1835 | Packages | Bug               | [x265] Broken dependence with FFMPEG                                                                                                          | fixed       | 2018-07-04 04:27 PM |
| 2230 | Packages | Bug               | [iceweasel][icecat][iceape][icedove] libvpx-1.8.0 Conflicts with Mozilla-based applications                                                   | fixed       | 2019-05-23 05:48 PM |
| 2318 | Packages | Packaging Request | [iceweasel] needs upgrade to v70 for i686 and arm                                                                                             | wont-fix    | 2020-12-15 01:27 PM |
| 2327 | Branding | Housekeeping      | [icedove] branding issues in "About Icedove" GUI                                                                                              | open        | 2019-11-18 01:27 AM |
| 2395 | Packages | Bug               | [poppler] Dependence conflicts with cups-filters and texlive-bin                                                                              | fixed       | 2019-07-22 08:20 PM |
| 2411 | Packages | Packaging Request | GNU IceCat has been updated to the version 60.7.0                                                                                             | fixed       | 2019-11-22 02:08 PM |
| 2435 | Packages | Bug               | [xfwm4] Error with a dependence                                                                                                               | fixed       | 2019-08-13 06:19 PM |
| 2469 | Packages | Freedom Issue     | [firefox-i18n-bn] firefox language packs added                                                                                                | fixed       | 2019-09-03 10:26 PM |
| 2470 | Packages | Freedom Issue     | [firefox-developer-edition-i18n-bn] Language pack related with Firefox                                                                        | duplicate   | 2019-09-03 09:48 PM |
| 2476 | Packages | Freedom Issue     | [firefox-i18n-bn] Icedove language pack already exist                                                                                         | duplicate   | 2019-09-03 09:41 PM |
| 2550 | Packages | Bug               | [icu] Conflicts with Mozilla-based apps (Icedove, Icedove and IceCat)                                                                         | duplicate   | 2019-11-18 12:09 PM |
| 2561 | Packages | Bug               | [iceweasel] sudden shutdown of Icedove 70.0.1                                                                                                 | duplicate   | 2020-01-21 01:28 PM |
| 2562 | Packages | Bug               | [icedove-l10n-es-ar] Weird dependency error on x86_64 version of Icedove language packs                                                       | fixed       | 2019-12-02 01:17 AM |
| 2571 | Packages | Bug               | [iceweasel-l10n-es-ar][iceweasel-l10n-pl]: Icedove doesn't start with some language packs                                                     | confirmed   | 2022-04-23 09:07 PM |
| 2595 | Packages | Bug               | [iceweasel]: upgrade to v72.0.1                                                                                                               | fixed       | 2022-04-23 09:03 PM |
| 2691 | Packages | Bug               | [icecat]: XPCOMGlueLoad error ibxul.so: libffi.so.6:                                                                                          | fixed       | 2020-06-05 03:33 PM |
| 2718 | Packages | Freedom Issue     | [firefox-i18n-tl] Icedove language packs already exists (and it would cause conflicts)                                                        | unconfirmed | 2020-05-05 05:29 AM |
| 2772 | Packages | Packaging Request | [hardinfo] Conflicts with ICU 67 (x86_64)                                                                                                     | duplicate   | 2020-05-10 01:59 AM |
| 2851 | Packages | Bug               | [qutebrowser] Python has been updated to the version 3.8.5                                                                                    | fixed       | 2020-08-01 09:13 PM |
| 2943 | Packages | Bug               | [xfce-theme-greynbird] Bug on GTK 2-based apps                                                                                                | unconfirmed | 2020-12-27 01:39 AM |
| 2950 | Packages | Housekeeping      | [texlive-bin] Problems with the latest update of ICU.                                                                                         | fixed       | 2021-04-22 03:30 AM |
| 2952 | Packages | Bug               | [libxfce4ui] Update required to the version 4.16.                                                                                             | fixed       | 2020-12-25 06:58 PM |
| 3025 | Packages | Housekeeping      | [libwebsockets] Package update is affecting to Ardour                                                                                         | not-a-bug   | 2021-05-04 04:28 AM |
| 3037 | Packages | Freedom Issue     | [thunderbird-i18n-kk] Icedove language packs already exist                                                                                    | in progress | 2021-05-23 04:54 AM |
| 3207 | Branding | Housekeeping      | [iceweasel] Buggy rebranding on Icedove 98                                                                                                    | open        | 2022-04-29 01:23 AM |
| 3367 | Packages | Bug               | [multiple]: signature from "bill-auger <bill-auger@peers.community>" is unknown trust corrupted (invalid or corrupted package (PGP signature) | fixed       | 2022-12-06 08:26 PM |
| 3369 | Packages | Bug               | [linux-libre] Kernel Panic during update                                                                                                      | fixed       | 2022-12-15 05:54 PM |
| 3377 | Packages | Bug               | [jami-qt] Doesn't run properly                                                                                                                | fixed       | 2023-02-13 01:58 AM |
| 3398 | Packages | Bug               | [libxfce4ui] Update needed to the version 4.18 according to the XFCE version                                                                  | fixed       | 2023-02-14 01:42 AM |
