Packages - Packaging Request #1003

[gitflow-avh] add package to PCR

2016-05-04 04:52 PM - jluttine

Status:	fixed	**% Done:**	0%
Priority:	bug		
Assignee:	ovruni		
Category:			

Description

I've understood that gitflow is outdated and gitflow-avh is actively developed.

So I'd suggest that it is added as package (or replace gitflow package):

GitHub: https://github.com/petervanderdoes/gitflow-avh

AUR: https://aur.archlinux.org/packages/gitflow-avh/

History

#1 - 2016-05-04 05:48 PM - jluttine

For more discussion, see: https://github.com/nvie/gitflow/issues/285

For instance, Ubuntu is using gitflow-avh.

#2 - 2016-05-14 11:09 PM - ovruni

- Assignee set to ovruni

#3 - 2016-05-14 11:22 PM - ovruni

- Status changed from open to fixed

- Due date set to 2016-05-14

gitflow was replaced for gitflow-avh

#4 - 2016-05-14 11:28 PM - ovruni

- Subject changed from gitflow-avh to [gitflow-avh] add package to PCR
