Servers - Bug #108

Repo /etc git repo is abandoned

2012-05-17 05:13 PM - mtjm

Status:	fixed	**% Done:**	0%
Priority:	bug		
Assignee:			
Category:			

Description

Would help e.g. if pacman decides to remove dovecot configuration or if someone wants to understand how and why we configured it.

History

#2 - 2013-05-05 02:03 PM - lukeshu

I've installed etckeeper, and set up a cron job to run it every day.
