Packages - Bug #1190

[vlc] No GUI after installation

2017-01-23 05:42 PM - dario

Status:	not-a-bug	**% Done:**	0%
Priority:	bug		
Assignee:			
Category:			
Description			
Since qt4 is an optional dependency there is no GUI after installation.			

History

- Status changed from open to not-a-bug

That's a feature not a bug. e.g some users only want cvlc.

Also upstream -
