Category:	
Description Submitting on behalf of https://lists.parabola.nu/pipermail/assist/2017-February/000801.html Would anyone be willing to add any of bitsquare (AGPL3), monero (Modified BSD license), and luv-icon-theme-git (CC BY-SA 4.0) to the pcr? The direct links to the AUR are here: https://aur.archlinux.org/packages/bitsquare/ https://aur.archlinux.org/packages/monero/ https://aur.archlinux.org/packages/luv-icon-theme-git/ Thanks for your time. -Christian
