

Packages - Bug #1328

Problems with signatures of Lukeshu's GPG key

2017-05-14 06:54 PM - Anonymous

Status:	not-a-bug	% Done:	0%
Priority:	bug		
Assignee:	lukeshu		
Category:			
Description			
The following packages:			
<ul style="list-style-type: none">librelibgitgetxbslibretools			
returns the following error on package integrity verification:			
erro: <package-name>: signature from "Luke T. Shumaker < lukeshu@sbcglobal.net >" is marginal trust			

History

#1 - 2017-05-17 02:57 PM - Anonymous

Manually edit the trust of key solves the issue. See this [message from Megver83](#)"

#2 - 2017-05-18 04:00 AM - lukeshu

- Priority changed from critical to bug

pacman-key --refresh-keys

Once upon a time, that was automatically run weekly. Now it's the user's responsibility to run it.

Though, I think the keyring source tarball is missing existing signatures, exacerbating the problem; so I'm leaving this open for that.

#3 - 2022-05-09 05:35 AM - Zuss

Issue seems to have been resolved since then. No other bug reports opened on Lukeshu's GPG key

#4 - 2022-05-14 12:39 PM - Zuss

- Status changed from open to not-a-bug
