

## pacman2pacman - Bug #1330

### Debug options should be enabled by a command-line argument

2017-05-15 11:46 AM - xylon

<b>Status:</b> fixed	<b>% Done:</b> 100%
<b>Priority:</b> bug	
<b>Assignee:</b>	
<b>Category:</b>	
<b>Description</b> ATM debug is enable by setting a variable in the pacman2pacman-get script. If it were enabled by a command-line argument it would be easier to turn it on and off without risk of the dev pushing a version with debug enabled to the repo.
