

## libretools - Bug #1408

### [librechroot] The -n flag doesn't work

2017-07-08 10:25 PM - lukeshu

<b>Status:</b> fixed	<b>% Done:</b> 100%
<b>Priority:</b> bug	
<b>Assignee:</b> lukeshu	
<b>Category:</b>	
<b>Description</b> It broke in commit 05128d533225b75f35f79a1f55b04556b7e9736b.	

#### History

##### #1 - 2017-07-08 10:26 PM - lukeshu

- % Done changed from 0 to 50

I've written the fix, but not the test.

I've also reviewed the offending commit to verify that the same type of munged conversion didn't occur in any other programs. libreddbdiff was also affected, but had already been fixed in c4accb0e91507245584691691baa51a70723dc6e.

##### #2 - 2017-07-08 10:42 PM - lukeshu

Oh, I should add: I believe that this is the root cause of the issue seen by ebrasca and ovruni.

##### #3 - 2017-07-08 10:53 PM - lukeshu

- % Done changed from 50 to 100

Now fixed on master.

##### #4 - 2017-07-10 04:18 AM - lukeshu

- Status changed from open to fixed

Fixed in 20170709.
