

dbscripts - Bug #1662

Merge [db-check-*] in to [integrity-check]

2018-03-17 04:30 AM - lukeshu

Status: open	% Done: 0%
Priority: wish	
Assignee:	
Category:	
Description	
From README:	
Now, we'd like to be able to check that the repos are all OK, so we have	
<pre>- `cron-jobs/integrity-check`</pre>	
Instead of enhancing `integrity-check`, Parabola developers have decided to write multiple stand-alone tools that should probably be merged into `integrity-check`	
<pre>- `db-check-*`</pre>
