dbscripts - Bug #1662

Merge [db-check-*] in to [integrity-check]

2018-03-17 04:30 AM - lukeshu

Status:	open	**% Done:**	0%
Priority:	wish		
Assignee:			
Category:			

Description

From README:

```
Now, we'd like to be able to check that the repos are all OK, so we
have

 - `cron-jobs/integrity-check`

Instead of enhancing `integrity-check`, Parabola developers have decided
to write multiple stand-alone tools that should probably be merged
into `integrity-check`

 - `db-check-*`
```

History
