

Servers - Housekeeping #1785

[parabolaweb]: 404 page is in DEBUG mode

2018-05-03 03:17 PM - bill-auger

Status: fixed	% Done: 0%
Priority: bug	
Assignee: lukeshu	
Category:	
Description https://www.parabola.nu/check_network_status.txt You're seeing this error because you have <code>DEBUG = True</code> in your Django settings file. Change that to <code>False</code> , and Django will display a standard 404 page.
