Octopi Dependency Conflicts

2018-07-13 06:39 PM - Llewellen

Status: fixed	% Done: 100%
Priority: bug	
Assignee: ovruni	
Category:	
Description Octopi reports dependency conflicts with octopi-notifier, octopi-cachecleaner and octopi-repoeditor that prevent system upgrades, both from Octopi itself and from the command line. From Octopi, see the attached screenshots. The terminal that opens at the request of Octopi is frozen. From CLI, see the attached text of what is returned in terminal. Regards Drew
