Please see: Bug [#1634](#)

This looks like exactly the same issue. Please try the quick fix listed on that bug report.

#2 - 2018-07-21 03:05 PM - ani

[freemor](#)

That solved it.

#3 - 2018-07-21 03:36 PM - freemor

- Status changed from open to not-a-bug

K, then I'll close this issue as a duplicate of [#1634](#)
