

## Packages - Bug #1954

### [nonprism/california] needs rebuilding against new icu version

2018-08-15 08:13 PM - ToffeeYogurtPots

<b>Status:</b> fixed	<b>% Done:</b> 100%
<b>Priority:</b> broken	
<b>Assignee:</b> ovruni	
<b>Category:</b>	
<b>Description</b> When updating nonprism/california I get the following:  ":: installing icu (62.1-1) breaks dependency 'icu<62' required by california"  Package needs rebuilding against the latest icu, same as the iceweasel issue.
