Related to todays update of protobuf.
I'll rebuild against the new protobuf.

X86_64 rebuilt against new protobuf, tested, released.

I'm going to mark this as mostly done because I expect the same breakage for x32 and ARM sometime in the future.

#3 - 2018-09-15 08:08 PM - freemor

Note this does not fix [#1984](#), nor did I expect it to. Just make is runnable again
