

Documentation - Bug #2004

[How to Blacklist a package]: describes an outdated procedure

2018-09-23 09:53 PM - bill-auger

Status: open	% Done: 0%
Priority: bug	
Assignee:	
Category:	
Description this currently instructs to cd into a 'blacklist' user's home to pull changes from git - that user does not exist and the git repo has a hook to handle the building of 'your-freedom' automatically now on git push https://wiki.parabola.nu/How_to_Blacklist_a_package
