

## libretools - Bug #2040

### [librechroot] sync can be slow, even on btrfs

2018-10-16 03:52 AM - lukeshu

<b>Status:</b> open	<b>% Done:</b> 0%
<b>Priority:</b> bug	
<b>Assignee:</b>	
<b>Category:</b>	
<b>Description</b>	
<p>If a chroot contains a whole bunch of data (like, say, the 4GB mozilla-unified hg repo), then find "\$1" -mindepth 1 -xdev -depth -inum 256 -print0 might take a while to scan it for nested subvolumes, even though there's not much to find.</p>	
<p>See also: my proposed btrfs_subvolume_delete that I submitted to arch-projects February 2017.</p>
