

Packages - Bug #221

[grub] should be removed from "base" group

2012-11-09 01:57 PM - lukeshu

Status: fixed	% Done: 0%
Priority: bug	
Assignee:	
Category:	
Description It is causing problems with update-cleansystem. Or, it could be removed, as it was in Arch.

I will remove grub package from base group and change name to grub-legacy

#3 - 2012-11-09 08:31 PM - Anonymous

grub package was replaced to grub-legacy that isn't included in base group. Fixed!
