<b>Status:</b> fixed	<b>% Done:</b> 100%
<b>Priority:</b> freedom issue	
<b>Assignee:</b> freemor	
<b>Category:</b>	
<b>Description</b> The purpose of the application is to facilitate the management and installation of many nonfree software packages. The application must be modified to include only free software (e.g.: winetricks-libre) or removed altogether from Parabola repositories.	

### History

#### #1 - 2019-04-13 12:32 PM - freemor

- Priority changed from bug to freedom issue
- Status changed from unconfirmed to confirmed

While this package could be modified to make it not have freedom issues it would be severely gutted as it's main thrust does indeed seem to be installing non-free stuff. The few free things it offers can be installed via other means. I see no reason to keep this and add a maintenance burden.

#### #2 - 2019-04-13 01:08 PM - dario

I suggest to just remove the package.

#### #3 - 2019-04-23 04:53 PM - freemor
