no way, that is encouraging people to mutate their beatles into a lossy format - now that should be a crime - i suggest we should patch '.ogg' to '.flac'

#4 - 2019-04-21 09:27 AM - Anonymous

Why not just patch the song? May be Free Software Song, for example.

- Priority changed from bug to wish

- Status changed from unconfirmed to open

- Tracker changed from Freedom Issue to Packaging Request

this package comes from arch - it would need to be added it to the workload, so this actually a packaging request
