Most likely needs a rebuild against the new poppler.

#2 - 2019-05-02 12:35 AM - freemor

Nope. More complicated than that, no python2-poppler at all. must have been pulled from Arch's repos.

Lets see... hmm.

Looks like we either need to package python2-poppler or figure out how to satisfy the depends with newer python packages. Assigning to the package maintainer.
