

Servers - Bug #232

[parabolaweb] report bug links to old bugtracker

2012-11-24 09:39 PM - lukeshu

Status: fixed	% Done: 100%
Priority: bug	
Assignee: lukeshu	
Category:	
Description The "Report a bug" link on package pages (ex: < https://parabolagnulinux.org/packages/extra/i686/pilot-link/&gt;) uses the new issue URL for the old bug tracker. The new URL should be < https://labs.parabola.nu/projects/servers/issues/new&gt; , but I am unsure of what parameters to use to fill in the template.	
Related issues: Has duplicate Servers - Bug #200: [parabolaweb] "Report a Bug" is very indirect fixed 2012-09-27
