

## libretools - Bug #245

### [libremakepkg] Turn off networking in a chroot after "makepkg -o"

2012-11-28 09:04 AM - lukeshu

<b>Status:</b> fixed	<b>% Done:</b> 0%
<b>Priority:</b> feature	
<b>Assignee:</b> lukeshu	
<b>Category:</b>	
<b>Description</b>	
This forces compliance with mtjm's RFC for packaging policies.	
The current version of chroottools' mkarchroot supports disabling networking in the chroot via the "-N" flag.
