Category:	
Description Basicly, this is the Firefox language pack. Unfortunately, the Iceweasel language pack and the main application is outdated due to compilation issues in the main applications due to a lack of memory on the host compiler.

there are a few others too - the language-packs are not non-free and because these depend on firefox, they are not actually installable

```
$ pacman -Ss ^firefox
extra/firefox-i18n-bn 68.0.2-1
  Bengali language pack for Firefox
community/browserpass-firefox 3.1.1-1
  Firefox extension for Browserpass, browser extension for zx2c4's pass (password manager)
community/firefox-developer-edition-i18n-bn 69.0b16-1
  Bengali language pack for Firefox Developer Edition
community/firefox-developer-edition-i18n-en-ca 69.0b16-1
  English (Canada) language pack for Firefox Developer Edition
community/firefox-developer-edition-i18n-oc 69.0b16-1
  Occitan language pack for Firefox Developer Edition
```
