

libretools - Bug #247

[libremakepkg] Don't require the user to know the libremakepkg/makechrootpkg/makepkg relationship

2012-11-28 09:12 AM - lukeshu

Status: fixed	% Done: 0%
Priority: bug	
Assignee: lukeshu	
Category:	
Description	
The option passing requires the user to know how they all interact.
