

Packages - Freedom Issue #2490

[wine] Change 'win' to 'woe' in architectures

2019-09-19 03:25 PM - Anonymous

Status:	not-a-bug	% Done:	0%
Priority:	bug		
Assignee:			
Category:			
Description			
Wine supports 'win32' and 'win64' architectures. Shouldn't they be 'woe32' and 'woe64' instead?

- Status changed from unconfirmed to not-a-bug

there is no freedom concern or bug to address - i think you know that, and this is not the first time that ive asked you to refrain from opening bug reports that are not bugs - a bug tracker is not the appropriate venue for arbitrary witty remarks - please use the IRC, the forum, or the mailing list for anything that is not actually a bug
