

Packages - Packaging Request #2519

Request for prboom+ (prboom-plus)

2019-10-28 06:34 AM - anarcobuda

Status: fixed	% Done: 0%
Priority: bug	
Assignee: oaken-source	
Category:	
Description We produly have prboom in our repositories. This Doom source port based on prboom adds more features to the original project without compromising compatibility with the original Doom. http://prboom-plus.sourceforge.net/	

History

#1 - 2019-10-28 02:44 PM - oaken-source

- Assignee set to oaken-source

#2 - 2019-10-28 02:45 PM - oaken-source

- Status changed from open to fixed

I added prboom-plus and removed the, arguably deprecated, prboom from [pcr]

#3 - 2019-10-28 05:06 PM - anarcobuda

A most reasonable decision

Out of mere curiosity - does Parabola keeps track of deprecated packages for any purposes, for instance, historical ones?

#4 - 2019-10-28 05:10 PM - bill-auger

we keep them but they are not published - maybe someday

#5 - 2019-10-28 06:18 PM - oaken-source

I'm very much interested in packaging software for historical reasons. Maybe we should start looking into creating a [history] repo for old packages.

#6 - 2019-10-29 01:23 PM - anarcobuda

I agree with having old packages stored somewhere for many purposes, however, I do not fully understand how a repo for that specific function would be useful
