don't mangle anything lol

packages should be in one place only and sources in another.

#3 - 2012-12-09 02:06 PM - lukeshu

Documented in `h` for librechroot and libremakepkg:

<https://projects.parabolagnulinux.org/packages/libretools.git/commit/?id=20e7d270d9cdc3126fa159ccd2870f8e24d7d0c8>
