

Packages - Freedom Issue #2596

[wire-desktop] Depends on electron4

2020-01-10 08:19 AM - grizzlyuser

Status:	duplicate	% Done:	0%
Priority:	bug		
Assignee:			
Category:			
Description			
electron4 is in blacklist.txt , and wire-desktop is based and depends on it [1]. It looks to be useless without that dependency, so should be blacklisted too.
