<b>Description</b> resolving dependencies... looking for conflicting packages... error: failed to prepare transaction (could not satisfy dependencies) :: installing libplacebo (1.29.1-1) breaks dependency 'libplacebo.so=21-64' required by mpv			

History

#1 - 2020-01-18 02:18 AM - freemor

Both [community/mpv] and [extra/libplacebo] come directly from Arch. We do not adjust or package them.  
Looks like our repos are currently behind on mpv.

I'd suggest wait a bit for the next repo sync and see if that fixes it.

If this isn't fixed by the morning I'll see if winston needs a poke.

#2 - 2020-01-18 06:09 AM - pisechka

Fixed. Thank you.

#3 - 2020-02-02 12:02 PM - oaken-source

- Status changed from unconfirmed to not-a-bug
