

Packages - Packaging Request #2650

Add the wf-recorder package to pcr

2020-03-08 05:55 PM - lolol

Description A lot of the various tools named on the ArchWiki page for Sway [1] can be found in the Parabola repos. The wf-recorder package, however, cannot. It's in the AUR [2] and appears to have a free license so hopefully packaging it won't be too much of a problem. History

#1 - 2022-04-26 12:47 AM - gap

It's since been added to the community repo.
As such this issue is moot.
