[clamav] CPU usage 100%

2020-04-07 01:32 PM - Anonymous

Status: not-a-bug	% Done: 0%
Priority: bug	
Assignee:	
Category:	
Description	
After I installed ClamAV and enabled both its daemon and freshclam, my CPU usage became 100% because of them.	
I don't think this should happen.	
model name : Celeron(R) Dual-Core CPU T3500 @ 2.10GHz
