# Servers - Bug #2836

## [package web search] 'any' isn't listed in the architectures list

2020-07-13 12:41 AM - Megver83

| **Description** |
|---|
| Just noticed that 'any' is not in https://www.parabola.nu/packages/ any longer. Now, 'any' packages are shown as if they where available for the other three listed architectures (x86_64, i686 and armv7h) |
