[labs.parabola.nu] Unusable layout on some widths

2021-04-16 04:00 PM - biovoid

Status: confirmed	% Done: 0%
Priority: bug	
Assignee:	
Category:	
Description Between 900 and 1039 pixels wide, the forum/issues layout pushes the content to a sliver on the left side. Please see attached screenshots.

- Status changed from unconfirmed to confirmed

TODO:

```
#archnavbar { width: 100% ; }
```
