

## Packages - Bug #3056

### Numpy/matplotlib might need rebuild

2021-07-05 07:26 PM - laust

<b>Status:</b> not-a-bug	<b>% Done:</b> 0%
<b>Priority:</b> bug	
<b>Assignee:</b>	
<b>Category:</b>	
<b>Description</b> Scripts using matplotlib can't be run. "import matplotlib" results in:  RuntimeError: module compiled against API version 0xe but this version of numpy is 0xd

- Status changed from open to unconfirmed
- Tracker changed from Housekeeping to Bug

im not sure how to follow through about this, other than testing it on an arch system - both of those packages come from arch

could you provide an example script which exposes the problem, and tell me how to run it?

##### #2 - 2021-08-18 07:35 PM - laust

- Status changed from unconfirmed to not-a-bug

I can't reproduce it anymore, there must have been something wrong on my system that I fixed by luck.

This should be closed. Sorry for the inconvenience.
