Thanks to bill-auger, now I can write the description.

steps to reproduce:

pacman -Sii discord-canary your-freedom

expected result:

error: package 'discord-canary' was not found

```
Repository   : libre
Name        : your-freedom
Version     : 20210628-1
...
Conflicts With : ...
discord ``discord-canary``
```

actual result:

```
Repository   : community
Name        : discord-canary
Version     : 0.0.129-1
...
Repository   : libre
Name        : your-freedom
Version     : 20210628-1
...
Conflicts With : ...
discord (no discord-canary)
```
