

Installation Media - Bug #3202

[archinstall] Modify for Parabola

2022-03-11 05:12 PM - toucan

Status: not-a-bug	% Done: 0%
Priority: bug	
Assignee:	
Category:	
Description Currently this package is nonfunctional on Parabola. It could be modified to allow for automated installation of Parabola, perhaps with an OpenRC option.	

History

#1 - 2022-03-12 10:07 AM - bill-auger

- Status changed from open to info needed
- Project changed from Packages to Installation Media

IIRC, this is the new CLI install wizard - it is not an automated installer - it has been included on the parabola liveISOs since it was first released, and it worked as expected at that time

what was the specific error message that you got?

bug reports are most helpful in the form of the "new issue" template:

steps to reproduce:

when i
.... installed what? - ran what? - typed what?

i expected ...
.... what to happen?

instead ...
.... what actually happened?
