

Packages - Bug #34

Change packages showing Arch bug report URL or calling the distro Arch

2012-03-04 02:00 PM - mtjm

Status: open	% Done: 0%
Priority: bug	
Assignee:	
Category:	
Description The changes are partially done in abslibre-mips64el, but this is not specific to mips64el. Probably adding an issue tracker for packages should be done before.
