- Status changed from unconfirmed to confirmed

the last time blender needed a rebuild, it also could have been upgraded; but the latest version did not compile - i rebuilt the previous version instead - this time, neither version will compile

#2 - 2023-02-14 01:55 AM - bill-auger

if you like, you can upgrade now with this command

```
# pacman -Syu --ignore=boost-libs
```
