I suppose the opencv needs to be updated. In Arch Linux now version 4.7.0.

```
$ opencv_version
opencv_version: error while loading shared libraries: libtbb.so.2: cannot open shared object file: No such file or directory
$ opencv_visualisation
opencv_visualisation: error while loading shared libraries: libImlImf-2_5.so.25: cannot open shared object file: No such file or directory
```
