

Packages - Bug #3559

Housekeeping # 3501 (on-hold): Drop [community{-staging,-testing}], [staging], [testing] - import [core{-staging,-testing}], [extra{-staging,-testing}]

[prosody][community] Needs to be Removed

2023-12-22 10:33 AM - wael

Status: duplicate	% Done: 100%
Priority: bug	
Assignee:	
Category:	
Description	
Following the upstream merge of Community and Extra, prosody in Community is outdated and needs to be removed. Across all three architectures (x86_64, i686 and armv7h) the Community version is older than Extra.	

History

- Parent task set to #3501

yes there are many orphans in community - they are harmless - that migration made a huge mess of the repos - [#3501](#) is open for this concern until arch32 empties their [community] repo - then i will clean up everything

#2 - 2023-12-31 09:13 AM - wael
