

pbot-ng - Bug #408

He `listens' to music streams

2013-09-13 03:47 PM - xylon

Status: open	% Done: 0%
Priority: bug	
Assignee:	
Category:	
Description If someone posts a link to a music stream in the channel he listens to it and becomes non-responsive. For example: http://fm.hackcoop.com.ar/ponape.ogg <= argentinian rock from the 70's	

History

#2 - 2013-09-13 03:48 PM - xylon

some comments were made on IRC:

```
<smv> can't just ignore some kind of links?  
<jxself> Nah, music is pbot's favorite.  
<jxself> Not a bad idea though. Maybe check the Content-Type type first or something?  
<jxself> So as not try to spit out an HTML title tag from an Ogg? :)
```

I think this has to be my favourite pbot bug of all time

#4 - 2016-08-24 11:08 PM - xylon

test

#5 - 2016-08-24 11:08 PM - xylon

another test

#6 - 2016-08-24 11:11 PM - xylon

anoother test

#7 - 2016-08-24 11:23 PM - xylon

OK this is the last BTS notification test, I promise
