Description
mcomix-libre can't open .cbr files. Seems an unar issue because this software uses it for open .cbr archives.

History

#2 - 2014-05-08 09:47 PM - Anonymous

coadde has reported it to the mcomix feature requests [0], meanwhile, we have removed RAR support on the package until it be resolved [1][2]

#3 - 2015-06-23 04:19 AM - Anonymous

- Subject changed from mcomix-libre doesn't work with .cbr files to [mcomix] doesn't work with .cbr files

#4 - 2022-05-09 06:42 AM - Zuss

Removing RAR support is intentional as it is non-free. So this program will be unable to open .cbr files.

#5 - 2022-05-14 12:51 PM - Zuss

- Status changed from open to not-a-bug
