

Packages - Freedom Issue #45

[linux-tools][perf][cpupower] builds from Linux source

2012-03-09 05:19 PM - mtjm

Status: fixed	% Done: 0%
Priority: freedom issue	
Assignee:	
Category:	
Description Should use Linux-libre. Don't blacklist these before having libre replacements on i686 and x86_64, since this doesn't affect binaries built.	

History
