Packages - Bug #533

handbrake-svn (and maybe handbrake-cli-svn) needs to be recompiled

2014-05-30 08:30 PM - GNUtoo

Status:	fixed	**% Done:**	100%
Priority:	bug		
Assignee:	lukeshu		
Category:			

Description

[gnutoo@T60 ~]$ ghb
ghb: error while loading shared libraries: libx264.so.138: cannot open shared object file: No such file or directory
[gnutoo@T60 ~]$ uname -m
i686

History

#1 - 2014-05-31 04:04 AM - lukeshu

- Status changed from open to fixed

- Assignee set to lukeshu

- % Done changed from 0 to 100

I just pushed a new version for i686 an x86_64. Thanks for reporting!
