making progress

#3 - 2012-03-26 06:51 AM - xylon

OK I think he can report changes on labs now and not repeat everything anyone sais.

#4 - 2012-03-26 11:56 AM - xylon

I've modified him to use ETag headers to avoid downloading the feed unless it's changed. This should save some bandwidth. I post this to see if he still works.

#5 - 2012-03-26 12:13 PM - xylon

sorry forgot to pull changes lol, need to test again

#6 - 2012-03-26 12:24 PM - xylon

Pbot-ng is fixed and improved and now he's THE GREATEST BOT EVER AND HE WILL ANNOY YOU AND LAUGH IN YOUR FACE!!!
HAHAHAHAHAHA!!!

#7 - 2012-03-26 12:44 PM - xylon

now it's unfixed and hopefully fixed again but I need to change the bug status in order to test it

#8 - 2012-03-26 01:02 PM - xylon

How dare you say pbot-ng needs improving he's perfect. actually this is a test

#9 - 2012-03-26 01:17 PM - xylon

test

#10 - 2012-03-26 01:24 PM - xylon

OK I think he might be fixed now let's see
