

pacman2pacman - Bug #545

Make it print if a db was changed or not

2014-06-11 02:42 PM - xylon

Status: fixed	% Done: 0%
Priority: feature	
Assignee:	
Category:	
Description Although pacman2pacman checks if dbs are modified before downloading them, it doesn't tell the user if a db was downloaded or not changed.
