

pbot-ng - Bug #575

Search saved strings

2014-07-22 08:04 PM - alfplayer

Status: fixed	% Done: 0%
Priority: feature	
Assignee: bill-auger	
Category:	
Description It's important because some strings can be easy to forget: for example both "install" and "installation" can refer to the same.	

History

#1 - 2018-09-20 08:03 PM - bill-auger

- Assignee set to bill-auger

a ,list command was added which dumps all recognized factoid keys - after 2 years of no attention, that fulfills this request close enough to close it IMHO

#2 - 2018-09-20 08:03 PM - bill-auger

- Status changed from open to fixed
