### History

#### #1 - 2014-10-06 02:05 PM - alfplayer

aur/gnash-trunk-git is not buildable now because it's broken upstream: <http://savannah.gnu.org/bugs/?43198>

pcr/gnash (same as aur/gnash) is also not buildable. It does not support the current giflib version used by Parabola which is 5.1: <http://savannah.gnu.org/bugs/?42574>

#### #2 - 2015-03-14 05:59 PM - alfplayer
